Quality assurance strategies and processes

IQAC has been the vehicle for assuring quality outcomes in every aspect of the campus life.

1. Improved Online teaching – learning processes. All class rooms are ICT ready with movable projector so that teachers adapt the modern pedagogic tools. Many teachers use PPT/audio – visual approach/ ready internet content in their class room teaching which has been found very effective in the curriculum delivery using ICT. Several Webinars /invited lectures have been conducted during Covid pandemic. Enforcing the teachers to adhere to the academic calendar in completing the syllabus. Teachers are advised to fill PBAS/ARS forms as per the UGC guidelines.
2. E – governance in finance and administration All the areas of governance such as Administration, Exam, Finance etc. have incorporated use of ICT. During the unprecedented times of COVID-19 lockdown online admission and administration process proved immensely beneficial for all the stakeholders. IQAC has adopted the paperless policy and collects all the necessary data through emails, Google forms, Google sheets etc. IQAC has conducted number of meetings in college campus.
